

# Portable Series Tripod Charming Model

- The stylish black metal casing has a special coating on top to resist static electricity.
- Originated in the U.S.A., the matte white and glass-beaded material provide different brightness and viewing ranges, flexible to suit every setting. The matte white allows a wider view range and soft colors, while the glass-beaded gives a brighter image with a higher resolution and contrast.
- Glass-beaded and matte white masking are made with fiberglass material to ensure a smooth surface that holds its shape and lasts longer.
- Aluminum alloy stand
- Metal tripod

## Product Features

- **Professional Design**  
Extremely versatile, sturdy, simple, and user-friendly.
- **Trendy and Elegant**  
The stylish black metal casing has a special coating on top to resist static electricity.
- **Adjustable Stand**  
The adjustable stand allows various heights suitable for every need. The casing ensures the safety of the product when transporting it.
- **Special Feature**  
The screen hook can bend to varying degrees to match the projection.
- **Smooth Surface**  
Grandview's screens are made with American fiberglass materials, allowing only a 1% contraction, compared to a contraction of 33% on other screens. This allows the fiberglass screens to remain smooth, hold its shape, and last longer.
- **Lightweight**  
The design is compact and lightweight, ideal for a portable unit. Even though the screen is 80 inches, it only weighs about 6 kg.
- **Location**  
It is suited for various venues such as education facilities, home theaters, boardrooms, or other entertainment sites.

Easy to carry

Adjustable lock

Keystone adjustment

Elegant and attractive octagon case

## Product Safety

To ensure your safety, please read "Product Manual and Warnings"

- Please read the following as any damage to the screen surface will affect the quality of the picture:
  1. Avoid contact or touching the screen surface as it may cause scratches or tears.
  2. Do not write or draw on the surface
  3. Clean the screen with a soft cloth and lukewarm water. Do not use any detergent or cleaning products.
- Roll up the screen after every use.
- Ensure that the screen is level when installing; do not pull on the sides or fold the screen.
- To prevent unnecessary damage, the operating and maintenance of the screen should be done by adults.
