

Product information:

The MBK440 is a mounting bracket system for fixation of the IMEO2 soundbar on any screen with mounting points compliant to the VESA100 up to VESA800 (MK2 version) display mounting standards. It allows easy mounting of the IMEO2 above and below the screen.

It is composed of two vertical and one horizontal bracket, the vertical brackets are attached to the screen while the horizontal bracket attaches to the included mounting bracket supplied with the IMEO2 soundbar.

The construction is made of solid and powder-coated steel material.
