

Portable PA Accessories

MA-101ACT Accessory

- MT-101ACT: Personal Wireless Microphone
- MP-101ACT: Microphone Charger
- MS-11: Wall-mounting Bracket
- MA-101AXP: Extension speaker for MA-101ACT

Stands

- MS-30: Speaker stand for MA-101c/MA-101/MA-101a
- MS-70: Speaker stand for MA-705/MA-707/MA-808

Lavalier Microphones

- MU-53L: Miniature 10mm, uni-directional
- MU-55L: Sub-miniature 4.5mm, omni-directional (water proof)

CD Player Modules

- CDM-2: Skip-free CD/USB player (Remote Control included) Fits MA-705/MA-808.
- CDM-2P: Skip-free CD/USB player (Remote Control included) Fits MA-707.
- CDM-3: CD and SD card player & recorder with detachable remote control. SD card included. Fits MA-705/MA-808.
- CDM-3P: CD and SD card player & recorder with detachable remote control. SD card included. Fits MA-707.

Wired Passive Extension Speakers

- MA-705EXP: For MA-705 / MA-707EXP: For MA-707
- MA-808EXP: For MA-808

Wireless Active Extension Speaker-MA-808

- MTM-90: Wireless Interlinking Transmitter **NEW**
- MRM-70: Single-channel Diversity Receiver Module
- MRM-72: Dual-channel Diversity Receiver Module

Storage Covers and Bags

- SC-10: For MA-101c/MA-101/MA-101a
- SC-50: For MA-705
- SC-70: For MA-707
- SC-80: For MA-808

Rechargeable Batteries

- MB-30: 12V, 2.7AH battery for MA-101c/MA-101/MA-101a/MA-705
- MB-70: 12V, 4.5AH battery for MA-707/MA-808

Headworn Microphones

- MU-53HN: Miniature 10mm, uni-directional
- MU-55HN: Sub-miniature 4.5mm, omni-directional (water proof)

Diversity Receiver Modules and Microphones

- MA-707VDM: VHF single fixed frequency receiver. (for MA-707)
- MH-203a: Handheld Transmitter
- MT-103a: Bodypack Transmitter
- MA-707UM: UHF single fixed frequency receiver. (for MA-707)
- MH-801a: Handheld Transmitter
- MT-801a: Bodypack Transmitter
- MRM-70: Single-channel Diversity UHF receiver with 16 scanable frequencies. (for MA-705/707/808)
- MRM-72: Dual-channel Diversity UHF receiver with 16 scanable frequencies. (for MA-808 only)
- ACT-707HE: Handheld Transmitter
- ACT-707TE: Bodypack Transmitter

MA-707 Portable Sound System

MA-808 Portable Sound System

Simplicity Flexibility Portability

MIPRO is a worldwide leader in portable wireless public address technology. Its complete line of portable PA systems are easy-to-use, powerful and functional.

No other brands can match the innovative features of MIPRO's AutoScan and ACT technology which provide the easiest channel set-up in the industry. In addition, an interference indicator and sensitivity adjustment improve performance while modularized components allow custom configurations. Compact and light weight, with built-in retractable handle and sturdy wheels on the larger models, these portable PA's are designed to make transport effortless. These systems are built rugged require no set-up and tear-down, and easy to use in a wide variety of venues and applications.

MIPRO, the portable wireless public address specialists.

MA-101C Compact and Lightweight

- Powerful 30-watt RMS sound
- Sleek, lightweight, ergonomically designed with robust case
- Full-range high efficiency 5" loudspeaker
- 2 power modes: AC and rechargeable battery
- 8 hours continuous use per charge
- Battery charging indicator
- Line-in for audio playing
- Built-in storage compartment
- Wired microphone only. No wireless option
- Hand carry or stand mount, shoulder-carrying strap included
- 90~264V auto-switching AC power supply
- For crowds up to 200

MA-101 Industry Leader

- Same features as MA-101c, plus
- Built-in UHF or VHF single frequency receiver
- Mic input for one wired dynamic microphone
- Separate wireless and wired volume controls
- Line-in for audio playing / Line-out for external recording
- A single wireless mic can broadcast to multiple MA-101 (same channel)

MA-101a Complete Package

- Same impressive features as MA-101, plus
- Large LED channel screen
- Industry's 1st diversity receiver with 16 scanable frequencies.
- Industry's easiest & fastest channel set-up with AutoScan & ACT:
- Press "SCAN" button receiver automatically scans for an open, interference-free frequency
- Press "ACT" button syncs the receiver and transmitter frequencies automatically

MA-101ACT Remote-controlled Wireless PA System

- Powerful 30-watt RMS sound
- Fixed AC power only
- For crowds up to 200
- Same personal multifunctional wireless mic:
 - Can be operated in multiple rooms: 1 ~ 100 rooms
 - Side controls for mic power on/off, volume adjustment and level switch
 - Accepts external portable audio source for sound amplification
 - Can be handheld or used with lavalier or headworn microphone
 - 2-3 hours fast charge allows 24 hours of continuous operation

MA-705 Powerful and clear sound

- Powerful 50-watt RMS sound.
- Robust design with comfortable carry handle.
- Up to 2 diversity UHF 16 scanable frequency receivers.
- Optional CD/USB player (including remote control)
- XLR & 1/4" combo jack for one wired microphone
- Line-in & line-out RCA jacks.
- A voice priority feature that mutes the music when mic is used
- 8 hours continuous use per charge
- For crowds up to 500

MA-707 Industry Leader

- Impressive 70-watt RMS sound.
- Rugged design with retractable handle and sturdy wheels for easy transport.
- 3 power modes: AC, rechargeable battery and direct DC.
- Up to 2 diversity UHF 16 scanable frequency receivers.
- Optional CD/USB player (including remote control) and cassette recorder.
- 8 hours continuous use per charge
- Two wired mic inputs (XLR & 1/4")
- Built-in storage for transmitters.
- Suitable for tripod, floor or desk mount
- For crowds up to 700

MA-808 Most Powerful Portable PA

- Huge 250-watt power and 123dB SPL for crowds up to 2,000.
- Class-D and Class-AB amplifiers drive 2-way speakers.
- Robust design with retractable handle and sturdy wheels for easy transport.
- Up to 4 diversity UHF 16 scanable frequency receivers.
- 3 power modes: AC, rechargeable battery and direct DC.
- Industry's only MTM-90 wireless interlinking transmitter to extend transmission range wirelessly of multiple MA-808 portables.
- Active limiter – keeps sounds clean when driven hard
- A voice priority feature that mutes the music when mic is used
- A smart 4-segment battery meter and echo effect control.
- Built-in storage for transmitters.
